A Prayer

Almighty God, who raised Jesus from the dead and gave him glory, that we might have hope: have mercy on all who despair, for whom life has lost its meaning and for whom hope has become extinct. Come to them in power to renew their faith; and enable them to honour you by believing you are able to make all things new, through Jesus Christ our Lord. Amen.

In your prayers:

- ◆ For the family and friends of Nancy McKenzie who passed away late last week.
- ◆ The Barnabas Fund who support Christian families in religiously hostile communities and countries.

Tax credits—those who have entered All Saints' bank details on their tax return for their tax credit, will need to identify themselves in order to obtain a receipt, as our bank statement only shows your IRD number—not your name. It is important that you receive a receipt, because you can claim one third of that back again next year! Please bring the relevant IRD letter to the Parish office for receipting.

Offering envelopes for the next year are now in the Foyer.
If you want to join the envelope or direct credit offering scheme, please contact the Parish Office. Using these systems enables you to receive a receipt at the end of the financial year, and to claim one third of the tax back
